

I've registered, paid, and completed evals. Now what?

In the next few weeks we will be drafting teams! While this is happening, we will meet with coaches and refs for training, and make sure all of our equipment is ready to go. We will be in touch with you via email no later than one week before the first practice to let you know of your young athlete's team information.

Where are practices and games held?

All games and practices are held at the Winchester Church of God. Basketball and Cheerleading (winter) will be held in the Family Life Center. Flag Football, Cheerleading (spring), Teeball, and Soccer will be held on the sports fields, located behind the FLC.

How often are practices and games?

Both practice and games are held once a week and are 1-hour long. We are committed to providing an excellent sports experience for all young athletes with a family friendly schedule.

When will my young athlete receive his/her uniform?

Uniforms will be distributed at the 2nd practice. Parents will also receive a game schedule, some info that will be valuable to parents throughout the season, and the fundraiser information at that time.

What sporting gear does my young athlete need?

Cleats are recommended for all sports.

Soccer: Shin guards required

Flag Football: Mouth guard required

Teeball: Glove required

Basketball: Tennis shoes required

Cheer: Tennis shoes required

Can my child practice the same night as their sibling? Will siblings be on the same team? Can friends be on the team together?

All siblings are guaranteed to have the same practice night, unless otherwise requested. Siblings that are in the same division will be on the team together. Divisions are broken down as follows: Age 4 – Kindergarten, 1st – 2nd Grade, 3rd – 4th Grade, 5th – 6th Grade, 7th – 8th Grade.

What is the cost to register?

The early bird cost for basketball, cheerleading, flag football and soccer is \$60. After the early bird registration period has ended, the cost to register is \$75.

The early bird cost for teeball is \$40. After the early bird registration period, the cost is \$55.

** Prices are subject to change without prior notice. They are based on the cost for the player items as set by Upward Sports™.

What will my child receive by registering?

Basketball: reversible jersey, t-shirt, car magnet, end of season award

Cheerleading: top, skirt, pom poms, megaphone, hair ribbon, car magnet, end of season award

Soccer: reversible jersey, water bottle, soccer socks, car magnet, end of season award

Teeball: t-shirt, hat, end of season award

Flag Football: flags, wrist coach, car magnet, end of season award

I put in a special request when registering. Is my request guaranteed to be honored?

Our league guarantees that siblings will practice on the same night. If they happen to be in the same division, siblings will be on the team together. Divisions are divided by grade, not age.

Special requests include the following: a specific practice night, coach, teammates, or practice time. Requests are considered, but not guaranteed. Switching players around after the draft is complete compromises the balance of skill level on each team. One of our biggest goals is that teams are equal in skill level, giving each team the opportunity for fair competition.

Coaches are given the choice of practice time and their children are guaranteed to play on their team.

When does registration open?

Basketball and Cheer: October 1st. Practice and games are from December – February. Open to children age 4 – 8th grade.

Flag Football and Cheer: February 1st. Practice and games are April – June. Open to children 1st – 6th grade.

Teeball: February 1st. Practice and games are April – June. Open to children age 4 – 1st grade.

Soccer: May 1st. Practices and games are from August – October. Open to children age 4 – 8th grade.
