

Computer Request Application

The Computers for the Needy is a program to put computers in the hands of those persons who do not have access to nor can afford to purchase a computer. Computers are placed with recipients based on financial and technical needs.

Please complete the following application. If you are under 18, your parent or legal guardian must complete this.

DATE _____

Name _____ DOB _____ Email _____

Address _____ Phone (required) _____

City _____ State _____ Zip Code _____

Church affiliation _____

Number in family _____ Current employer _____

Other forms of income _____

Reason for this request and proof of income

On a separate sheet of paper, please write a letter explaining what computer training you already have, and how you plan to use the computer to improve yourself or your situation. Attach any documentation you feel will financially qualify you to receive a free computer. **Your application will not be considered if you fail to provide this letter with the required information.**

Do you have access to the Internet? Yes No

If yes, is it wired or wireless? _____

Recipients will need access to the Internet for web browsing and emailing. Initial configuration and tutoring is available. Continued support is available on-line.

Does someone in your household own a working computer now? Yes No

Please list any computer peripherals you already own that you will need to connect to a computer. e.g. printer, modem, display, keyboard, mouse, etc.

Peripheral _____ Brand _____ Model # _____

Donated systems are previously owned computers, and may be any configuration of desktop, tower, portable or combination thereof depending on availability. Computers come preloaded with an operating systems consisting of word processing, spreadsheet, web browsing, email and an assortment of other useful applications, and are best suited for recipients seeking resources and information via the Internet.

Computers are donated "as is" with no warranty or support. Fees for Internet services, upgrades, repairs, and maintenance are the responsibility of the recipient.

Do you have a non-working computer that you would like to donate?" Yes No
